

LABOR/EFFORT TO KEEP THE CHURCH

There was a problem in the church at Corinth. Paul instructed them how to settle it, and get right with the Lord. NOW HEAR THIS, it was true then, it is true today, and will be true always; we should, we must pray, and in our strivings (always), in all things, in all judgments, speaking and doing the same right things. “May we never think, say, or do that which would create broken fellowship”. “Let us labor together to keep the Church pure”!

We know; “...*that if we walk in the ways of the Lord, we are following the things, which make for peace*”. We know also; *to become complete, to be of good comfort, to be of one mind, to live in peace; that the God of love and peace, will be with us.*” Paul gives us that admonishment in (2 Corinthians 13:11), Amen!
