L2L

This past weekend 70 of us enjoyed another great L2L Convention in Atlanta. Our young people represented us well. What a joy it has been to see all of these young people grow in their abilities to speak before an audience and lead singing. The confidence and skills they are learning will help them in the future in their careers and most of all in the service of the Lord. This Sunday night after the services we will honor all of these young people and tell you a little bit about the convention. For those of you who are wondering, I do plan to have a shorter sermon than usual. Plan to be here and encourage these youngsters.

M & M

Our next M & M will be April 18. Our extra ministry in April will be cleaning out the garage across the street. This work will be done before dinner. In the coming weeks we will inform you of the time to meet. We only have two M & M's left before the summer break. Take advantage of this time of fellowship and service.

Sunday Series

This Sunday morning, we will continue our series "Vanishing Values". We have been looking at many of the values in our society that are vanishing away. Sunday morning, we will deal with a big one! Our time will be spent talking about the decline of moral purity. This is such an important topic that I will spend two Sunday mornings speaking on it. We plan to get back in our Genesis series Sunday night week. This study will take us to Genesis 40. Take advantage of hearing these messages by being present both Sunday a.m. and Sunday p.m.

Phillip

We will recognize our L2L Sunday night after service!

Will you and your family be here Sunday?
