

## RELEASING OUR PROBABILITY

Peter's actions and teachings show us his ability to learn from his mistakes and grow to do great things for the Lord's church. How well are we using the *potential* God gave us? Are we challenging ourselves to do more in the Kingdom each day? God will bless each of us to use our talents and abilities, to bring about much good for His cause. May each of us set spiritual goals that help us "unlock" our *potential*, giving God the glory for the positive results that can and will occur! Love yea! Writer unknown, copied and forwarded by,
