

SERIOUS NEED ... PROPER PREPARATION

One must think before they act, that is, speak or put thoughts into oral or written words. The great attribute, thought/thinking, is proven to be safe, a needed responsibility, a blessing to God's Servants, the CHRISTIAN. It is a responsibility, a need that each one of us; yes, we can become what we think. IN TOTAL, WE ARE WHAT WE THINK, SAY AND DO! THE BALL IS IN OUR (INDIVIDUAL) COURT . . . THINK, SAY, and DO!

There are serious needs that we as Christians Servants, must make, proper preparations as we serve and do HIS will. HIS WILL, as commanded and outlined in detail in the bible. Know, grow, and go into the entire world to grow the CHURCH that you read about in the Bible.

God bless,
