A close friend of Bro Dwight Conway, Hal McAnally, a self-employed
painter, suffered a very serious face and eye injury when he was
struck by a rock thrown from a lawnmower. Sadly,

being self-employed he has no insurance and is
unable to have much-needed surgery. If anyone
would like to help financially please see one of
the Elders or Staff and they'll ensure that your

donation will help fund his surgery. In addition, donations can be
made at any Branch of the Redstone Federal Credit Union as well
in the name of Hal McAnally."

Dear Church Family,

Thank you so very much for the prayers, visits, calls,
texts, food and Facebook posts during my recent surgery
and recovery. It's in my time of need that I need you most
and you always come through.

In Christian love, Donna Glenn

To My Church Family,

There is a beautiful worship song most of you that are reading this
probably know. It is called "How Deep The Father's Love", it's one of
my favorite songs to sing during worship. It reminds us of the great
love God has for us, and what Jesus went through for us. Let's look at
how deep God's love for us is through what Jesus did for us.

How vast: God's love for us is so vast that He created the world for us
to live in (Genesis 1) and made a way for us to live with Him in eternity
when our time here is gone (John 3:16).

How painful: The pain and suffering Jesus went through and what God
went through allowing it was unimaginable pain. Jesus was decimated
physically (but not broken), but His love pushed Him through, even
though this kind of sacrificial love was painful.

How necessary: Without God's love and free gift to us we could NOT
have eternal life. We cannot earn it on our own, it could only be given
to us. It was ONLY Jesus that could take our sins away (Hebrews 10:4)

How grateful (we should be): How often do we think about the vast-
ness of God's love, the pain it took for Jesus to give His life for us, or
how without that act of love we would be lost? Do we thank God by
showing Him how much we love Him? He says if you love me keep
my commandments. It seems like such a small thing to ask when we
understand how deep His love truly is.

Don't forget to come and shop at our yard sale Saturday from 7-11
@ 311 Woodfield street, thanks for your support!

We look forward to seeing you Sunday!

The Most Difficult Tongue Twister

According to The Guinness Book of World Records, the toughest tongue twister is *'The sixth sick sheik's sixth sheep's sick'*. However, researchers from the Massachusetts Institute of Technology claim there could be an even tougher one. Dr. Stefanie Shattuck-Hufnagel and her team assert that *'pad kid poured curd pulled cold'* is the toughest tongue twister that has ever been created. They said it is so difficult, that when people were asked to repeat it rapidly ten times, they became so tongue-tied that they stopped speaking altogether!

As to which one of these two is the toughest tongue twister, you can make that decision. But these two phrases are not the hardest ones to say. It has been my experience that there are at least three other phrases people have greater trouble uttering. These are: "I'm Sorry," "I'm wrong," and "Please forgive me." Why is it so hard to admit wrong in our lives, to acknowledge the hurt we've caused others or to humbly beseech another to forgive that wrong and hurt? Why is it we would rather a problem grow, love die and troubled relationships become irreconcilable, than look another in the eye and say "I'm sorry" for an ill-spoken word or wounding action? You know the answer as well as I - It's the villain called "Pride" that keeps a lock upon the heart so that the words of remorse cannot flow from the tongue! (Proverbs 16:18; 29:23)

Phillip
