Real Good Cheap Perfume

I heard the story about years ago when times were harder and money a little scarcer. A young man decided to get his wife some perfume. He walked into a nice store and told the lady he wanted some real good cheap perfume. Doesn't that sound just like a man? She looked at him and said, "There is no such thing sir." Well, the young husband ended up buying her a nice iron!

Isn't this what a lot of people are looking for today in religion? Some real good cheap religion. Folks, there is no such thing! Jesus said in Mark 8:34 ... *Whoever desires to come after Me, let him deny himself, and take up his cross, and follow Me.* Even back in Jesus' time, there were those who wanted something that would make them feel good about themselves...smell good without being good. They wanted something that could be splashed on and cover the problem without ever solving the problem.

In Luke's account of the above passage from Mark 8:34, we find that Luke adds one important word. Luke 9:23 *Then He said to them all, "If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me.* The word added is "daily". Today, many want to attend a few church services when it is convenient; say a few prayers when they are in trouble; and sing a few songs when they feel good. Friends, cheap religion is no religion at all!

Barrier's Blog

Each year the young people in our church participate in a program called Lads to Leaders. It's a program that teaches the kids how to be leaders in the church. They do this by various forms of public speaking, singing and artistic activities. The conference always has a theme, one that skits and speeches are based on. This year the theme is "Lost". I was excited when I heard of it because one of my favorite television shows was "Lost". It was about a group of plane crash survivors lost on an island in the middle of nowhere. The entire series focused on them trying to be "found". The series had several spiritual insinuations and in the end the mysterious power of the island led the remaining survivors to be found. For us there is no insinuation, if we are lost, there is only one way to be found! In John 14:6 Jesus explains He is the only way to the Father. Only through Jesus can we be found when we are lost. In the parable of the lost sheep, the shepherd leaves 99 sheep to find the 1 that was lost. This is God letting us know how important one soul is to Him. He has given everything to let us know that He will find us when we are lost! If you're lost, His light is shining a path to everlasting life. Will you follow it?

Habitat for Humanity: We are looking forward to June 6th! What a statement our congregation can make that day by having a ton of volunteers helping finish a Habitat project! We are always looking for ways to serve and here is a perfect opportunity. Will you sign the list and say "COUNT ME IN!!"?

We look forward to seeing everyone Sunday!

In Him, Todd
