100th Year Kick-Off Open House

This Sunday begins our Year Long Celebration of our 100th anniversary. We begin with an Open House from two to four p.m. Throughout our building, many displays will take us all the way back to 1920. We have had several folks working very hard to give us these displays. Invite your friends and neighbors to come out and see our history. I hope everyone of you will come and learn more about your local church. Also, make sure you say a kind word to the guests you see at the open house.

Workday This Saturday!

We need all hands-on deck for this Saturday's workday. We will begin working on the inside and outside of the building at 8 a.m. There is a great need for those who can help spread mulch. Our plans are to mulch all our beds around the building. If you have any kind of vehicle with a trailer to help move mulch, it is very much needed. Also, bring any kind of tool or equipment you think you could use in cleaning up the outside and inside.

Homecoming March 29!

Start planning now for Part Two of our 100th Year Celebration which will be our Homecoming Sunday, March 29. We are planning a special day. Hundreds of people who have been a part of our church through the years will be invited to visit with us that day. Also, we are bringing back some of the ministers who have been a part of our church through the years to participate in our a.m. worship service. After our worship we will have a great fellowship meal together. After the meal, we will gather into the auditorium, and I will take thirty minutes to talk about our last one hundred years. It is going to be a great homecoming! Make sure you and your family will be there.

Thank You

Words cannot express our appreciation for all the love you have shown us during Daddy's last few days and continuing through the funeral. The visits, calls, texts, food and flowers helped us get through. We simply don't know how people make it during times like these without a church family. We truly love ours! Thank you so much.
