*Livestreaming of Sunday Worship Services*

**Change in Services**

As you probably know by now, we have changed our service schedule for the next two weeks. For the next two Sundays, we will have one service each Sunday at 10 a.m. There will be no Sunday or Wednesday night classes or church activities during this time. This schedule will be reevaluated after two weeks. The Shepherds ask you to use common sense as you decide to come to worship or not. If you are running a fever, coughing or just feeling bad stay at home! If you are elderly and have physical problems, you need to stay home. We ask everyone to spread out over the auditorium and keep some sitting distance. I know we love to hug and shake hands around here. However, let's elbow bump or give a thumbs up to each other while we are together.

**Live Streaming**

We are blessed in that we can Livestream our services and classes to most of the congregation. For the next two weeks, we will have two Livestream classes each week. I will teach a class Wednesday nights at 7 p.m. Todd will teach a class Sunday afternoons at 5 p.m. You can watch the Livestream from two locations. Just go to the Hartselle Church of Christ Facebook page or to the Hartselle Church of Christ web page. Matt has moved the Livestream button to the front page of the web sight so you can find it easier.

**Two Other Matters**

If you are staying home during our worship service and need unleavened bread, we can provide that to you. Just let the church office know and we can make arrangements to get it to you. As of now, the church office plans to stay open during the day. If you need us for any reason, please let us know.

## Barrier's Blog

In times of uncertainty I like to remember John 16:33:

*"These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."*

We can get five really good thoughts to reassure us from this verse:

1. This is Jesus' direct reassurance for us, from Him!
2. In Jesus we find our comfort, not in the news, statistics or worldly things.
3. Bad things happen. But...
4. We can still find peace and joy even with that knowledge. Because...
5. Jesus died for us so that we have eternity to look forward to. Bad things may happen here, but we are working for things above!

In Him, Todd
