New Zoom Class Coming!

On Sunday August 2, we will begin a Sunday Zoom class at five o'clock. You will have your choice of viewing the regular Livestream at five or participate in the Zoom class at five. The Zoom class will be a class where you can interact with others. I see it more like a table discussion. Harry Fuller will be the discussion leader for the class. All you must do is sign the list in the Commons area or call the church office. Give us your email, and you will receive a link through email that will take you right to the class. You just need to connect five or ten minutes before the class begins. A computer, phone or tablet with a camera will be necessary. If you have an older computer, it may not have a camera. We have members in this church who can help you get your device setup if you need such assistance. You will be able to see and hear Harry and those in the class. I want to encourage you to try this format and see if you like it. We have a desire to start another class or two like this in the future.

Livestreaming!

We have not said much about our Livestreaming views during this pandemic. What a blessing our Livestreaming has been to this congregation, our community and those throughout the world. We are reaching people with the Gospel like we never have before! We have four sites from which you can view our worship service and classes. Last Wednesday night when I finished my Bible Class there were right at 600 people watching my class! Our Sunday morning services are averaging around 1500 to 1700 views each week. The Sunday afternoon views are averaging somewhere between 800 to 1,000 views a week. There are some smaller congregations that do not have Livestream who are participating in our Worship service and Bible Classes. Thanks so much for your continued financial support so we can make this possible.

THREE THANK YOU NOTES

Dearest church, Thank you so very much for the plants, cards, messages and prayers on our behalf during our loss of Aunt Movlyn. Words can Never express what this church family means to me! Please continue to pray for Bear! God Bless You All,
SyRonda Smith-Tolbert

Words fail in my effort to express sincere gratitude and thankfulness to my church family during my surgery. The delicious food, cards, calls and especially the prayers meant so much to me and my family. Thank you so much, and may God bless each of you.

In Christian Love, Nina Johnson

Thank you for your kindness and sympathy at a time when it is greatly appreciated. We are forever grateful. You were our Mother/Grandmother family. We appreciate all you did for her over the years and with her passing.

Barrier's Blog

Sports has been one of the biggest things affected by COVID-19. All sports were halted for several months and some are just now beginning to make their way back. Crowds are smaller or non-existent at the events and now the college football season is in peril. If sports do come back, it will be under very strict circumstances. One example is the NBA. The teams are in what's called "the bubble" preparing for the resumption of the season. They are all sort of quarantined in a sports/hotel complex in Disney World to insulate them from exposure to the virus. This made me think, wouldn't it be great to have that as a Christian? To be able to "quarantine" ourselves from the unrighteousness of this world, where we could be in a spiritual bubble. Spiritually we can create this for ourselves through studying and adhering to His Word! The results would be a much stronger spiritual life! In fact, the Bible tells us we should create our own little spiritual bubble!

Look at Proverbs 4:23-27:

"Keep your heart with all diligence, For out of it spring the issues of life."

"Put away from you a deceitful mouth, And put perverse lips far from you."

"Let your eyes look straight ahead, And your eyelids look right before you."

"Ponder the path of your feet, And let all your ways be established."

"Do not turn to the right or the left; Remove your foot from evil."

Have you created a spiritual quarantine to guard your heart from the pandemic of sin?

In Him, **Todd**
