Preschool

Our Preschool, "The Lighthouse", will have its first day August 24! We still have room for a few more children. This is for children 6 months to 5 years old. Get in touch with Sandra Shaneyfelt if you have any questions. In the commons area, there is a basket for supplies for this fall. The Lighthouse needs copy paper, markers, Clorox wipes, construction paper, crayons, hand sanitizer, glue sticks, wet wipes, and Lysol. We appreciate the work the ladies put into this ministry. Let us get behind the preschool and fill that basket!

Guest/Member Cards

When we came back to the building in June for our Sunday morning worship, we paused using our guest/member cards. We will resume using the cards again this Sunday morning. Just simply fill the card out and leave it in the pew. Jerrie will pick them up on Monday.

Old Auditorium Livestream

I want to remind everyone that we are livestreaming our worship service in the old auditorium during our worship service on Sunday mornings. We encourage you to use this room. Each week we are having more people to come back to our worship service on Sunday mornings. Since we have our pews taped off every two pews, this is going to fill our auditorium in the coming weeks. In the future we may have to tape off our pews every other pew. This will still give us the 6 feet distance that we need. Also, the old auditorium can be used as an overflow room.

Barrier's Blog

Here we are again, the beginning of a new school year. This one is unlike any other we've seen in some time. Instead of two months, most have been out of school for 5 months. Not a lot has gone into trying to remember the things we were taught last year (probably, haha). So in addition to learning new protocols and new ways of doing things because of COVID we may need some extra time re-learning some of the things we have forgotten. In other words we are going to have to hit the books like never before, to get back to where we want to be, it's a new beginning for something that used to be old hat for us. It's the same thing in our spiritual life. These COVID induced absences from worship and Bible study may have caused some of us to forget what we used to be proficient in. As we move back to normalcy in the church, we have to approach it the same way. If we've fallen behind, we have to hit the books (His Word) like never before! A new beginning for something that used to be old hat. In Ephesians 4:22-24 the Bible says this...*To put off your old self, which belongs to your former manner of life and is corrupt through deceitful desires, and to be renewed in the spirit of your minds, and to put on the new self, created after the likeness of God in true righteousness and holiness.*

Our new beginning in this day and age may be putting off old habits (lack of study) which have become the norm for us during this time of isolation from our spiritual family. The good news is **if** we have forgotten some things, through Him, we can be renewed and be more like minded with God through studying His Word like our lives depended on it, because they do! Are you ready for a new beginning in Christ? In Him, **Todd**
