The Lord's Presence

After the resurrection of Jesus and just before His ascension, He gave some final words to the eleven. We know these words as "The Great Commission". In Matthew's account we find Jesus saying, *"All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age."* (Matthew 28:18-20) Did you notice that beautiful promise at the end? He said, *"I am with you always, even to the end of the age."* What had these disciples done every single day of their life for the last three years? They had spent it in the presence of Jesus! They walked, talked, listened, learned, and slept beside Jesus! They never had to make an appointment to see Him. Nor did they have to wait in line to talk to Him.

What the disciples did for those three years, you and I can do every day for the rest of our lives! Can you think of anything that is greater in life than knowing you can get up every day and be alone with the one who created you? You can open His Word and listen to him speak to you. You can open your mouth and know that He will listen to you speak to Him. Think about it, you are connecting with the God who spoke this universe into existence! The Lord's undivided attention is yours twenty-four seven. Like the disciples, you never have to stand in line. "Can you come back tomorrow?" are words you will never hear from Him. Think about this, you are never put on hold! He is always there. Jesus would say to the church at Laodicea, *"Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me."* (Revelation 3:20)

HINES' SIGHT Cont.

Fall will be here soon. We all love it when the trees turn with autumn colors. They transform from green and explode into red, orange, yellow and gold. Did you know that those colors were in those leaves since their blooming in the spring? You just could not see them. They are hidden by a green photosynthetic pigment called chlorophyll. When the sunlight hours start decreasing, the chlorophyll begins to break down, and the green color disappears bringing forth the red, orange, yellow and gold. The Lord's presence is the same way. You may not feel Him or sense Him. As you look at your circumstances, you may not see Him in those circumstances. The Lord says, "I'm Here. Lo, I am with you always". Can you think of a better way to spend your life than in the presence of the Lord?

Barrier's Blog

Lately I have been loving drinking water. I really can't get enough of it. I've always enjoyed it, but now I crave it! I drink it after a run, before bed, during my P.E. classes each day and it just satisfies me so much. It hasn't always been that way. I mean I could always drink water and enjoy it, but never craved it. Never felt like my body needed it. Maybe the reason I crave water now is because it's different than before. I add a sugar free Hawaiian Punch flavor packet to all of my water. So now my water is "super water" to me. It reminds me of the woman at the well. Jesus needed some water, but in a sense the woman needed it more. Spiritually, in John 4:10, Jesus told the woman that He could give her living water. Jesus was the living water and He is essential to our spiritual survival, just like water is essential to our physical survival. After this encounter the woman craved that water, she went into the city and couldn't keep it to herself! In verse 29 she told people this man told her *"all things that ever I did: is not this the Christ?"* Water hadn't meant that much to her before, sure it was essential, but it was always there and didn't seem too interesting, just like my water pre-Hawaiian Punch. Now, she knew about the water that Jesus said would make her never thirst again! She had added Jesus, the living water, to her essential list. Now, what kind of water are you craving? What kind of water can you not get enough of? I pray it's the living water and you've added Jesus to your spiritual diet! His living waters are like a flavor packet for your soul!
