Back on Wednesday Nights!

As I write these words, I am excited about getting back to our Bible Classes on Wednesday nights. Seven months have passed since our last time together for mid-week classes. We were blessed to have the livestream programs, but nothing is like being together. The elderly and those who have health issues certainly need to take care of themselves. The livestream classes will continue to be available for them on Wednesdays at 6:30 p.m. I want to encourage those of you who are young, middle aged and healthy to be part of these Wednesday night classes.

Also, we will begin our Sunday nights classes on October 25. In the coming weeks, we will give you the format for these classes. This will be determined by how well things go on Wednesday nights in October. Our goal is to get back to our normal classes as soon as it is safe to do so.

Keep in mind that we are entering the building on Wednesday nights at only three entrances. They are the back educational wing entrance, the south doors of the fellowship area and the south door entrance to the old auditorium.

I want to commend our deacons that serve in our educational program. With teamwork, they have been able to make changes and obtain the necessary teachers. Also, thanks to those of you who volunteered to teach our children. Having enough teachers is difficult under normal conditions. We were genuinely concerned with getting enough during a pandemic. As always, you came through!

Phillip

Thank you for your kindness shown to us in the passing of our niece, Olivia Vinson (8/31), and in the passing of our brother-in-law, Bobby Thigpen (9/21).

Dear Church Family,

Thank you very much for your love and support after the passing of our Mother. She loved this church and missed attending services so much. We appreciate every act of kindness shown to us—the prayers and visits, the beautiful flowers, the delicious food, Phillip's message at the service, the talented singers, and the marvelous lunch after the service. We are so grateful for every card, message, call, and text we received. We are so blessed to be a part of this loving church, and we thank you all for loving Mother the way you did.

*With love, Luke and Nancy Thomas

Barrier's Blog

As we continue to build towards a full church on Sunday mornings and are so happy tonight to have the opportunity to return on Wednesday nights, let's stay on course. Let's use the sound mind God gave us to stick to the social distancing guidelines and stay safe and also the spirit of power and not of fear He gave us to come together and be Hebrews 10:24-25 Christians!

"And let us consider one another in order to stir up love and good works," "not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching."

We hope to see you soon!

In Him, **Todd**
