Barrier's Blog

In James 1 the Bible tells us to count it all joy when we face
various trials (1:2). How are we supposed to be joyful when tough
times come our way? It's all about perspective. In a purely worldly
point of view we would view tougher times as something we can't
really learn from and find no joy in. However, when we become a
Christian the Bible says we are a new creation, old things have
been left behind. This includes our way of thinking. Now, the Bible
doesn't say these things won't be painful or hurtful, but it says to
count them all joy. So how? If we continue on, it says that as our
faith works through and develops patience through these tough
times our faith becomes perfect or complete (1:4). Meaning that
our faith matures as we go through these things and rely on God.
So we can count tough times as a joy because we know if we
have prepared for these times through our faith in God, that when
difficult things happen we grow closer to God. What could be
more joyful than that? Are you building a complete faith in God
to help in all circumstances?

In Him, **Todd**
