Appreciation for Tree Cutting and Chipping

Thanks to all the men and boys that came out to help last Saturday morning. We undertook a big job and were able to accomplish it because of you! Two things impressed me. First, the rain did not slow us down. Second, some stayed until the job was finished at 2 p.m. The plans are to cut down the remaining stumps and replant with the right shrubbery.

Update on Several Items

While we are somewhat hampered with our outreach because of the Covid virus, we are trying to catch up on some projects at the church building.

Matt Reynolds has been remarkably busy upgrading our livestream capability, hooking up video cameras, and putting WiFi throughout the whole building. Our WiFi has been upgraded to a much faster speed. A new phone system should be in place by the end of the year.

Jeff Harris has been replacing burned out lights with more efficient LED bulbs. Darrell has started working on a new livestreaming studio in the upstairs room across from Frank and Telula's office.

We will be able to use this studio to continue our outreach through livestream. From the horrible virus, we have learned we can have an even greater outreach than before through the internet.

Barrier's Blog

I've recently heard someone say that you are entitled to your own opinion but not to your own set of facts. This is a very true statement. It can be used in just about any situation in life. We can have our opinion about things but our opinion doesn't necessarily make it a fact. Unfortunately in the world of religion, opinion has become fact in many people's eyes. We take things from the Bible and form an opinion about them out of context, just to suit our point of view. Even worse, we sometimes have an opinion and ignore what the Bible says to be able to keep that opinion. The bottom line is that if we want a true relationship with God, we have to have what I call "opinionless Christianity". This means we are so serious about our commitment to Christ that we leave all preconceived notions to the side and study the Bible for our answers and trust His word enough to let that form our world view. In Hebrews 4:12 we are reminded of how powerful the Word of God is. *-For the word of God is living and active, sharper than any two-edged sword, piercing to the division of soul and of spirit, of joints and of marrow, and discerning the thoughts and intentions of the heart.-*

In Matthew 4:4 we are told God's Word is what should feed us and guide us! *-But he answered, "It is written, "Man shall not live by bread alone, but by every word that comes from the mouth of God."-*

Are you living your life based on the opinions you've formed outside of Christ or within His Word?

In Him, **Todd**

(Hines Sight cont.)

Keith and Karen Wilemon are a tremendous blessing to this church! They have been working extremely hard on the floors and general cleaning of our facilities.

Let all these folks know how much we appreciate them.
