The Lord's Presence

After the resurrection of Jesus and just before His ascension, He gave some final words to the eleven. We know these words as "The Great Commission". In Matthew's account we find Jesus saying, *"All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age."* (Matthew 28:18-20) Did you notice that beautiful promise at the end? He said, *"I am with you always, even to the end of the age."* What had these disciples done every single day of their life for the last three years? They had spent it in the presence of Jesus! They walked, talked, listened, learned, and slept beside Jesus! They never had to make an appointment to see Him. Nor did they have to wait in line to talk to Him.

What the disciples did for those three years, you and I can do every day for the rest of our lives! Can you think of anything that is greater in life than knowing you can get up every day and be alone with the one who created you? You can open His Word and listen to him speak to you. You can open your mouth and know that He will listen to you speak to Him. Think about it, you are connecting with the God who spoke this universe into existence! The Lord's undivided attention is yours twenty-four seven. Like the disciples, you never have to stand in line. "Can you come back tomorrow?" are words you will never hear from Him. Think about this, you are never put on hold! He is always there. Jesus would say to the church at Laodicea, *"Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in to him and dine with him, and he with Me."* (Revelation 3:20)

Fall is here. We all love it when the trees turn with autumn colors. They transform from green and explode into red, orange, yellow and gold. Did you know that those colors were in those leaves since their blooming in the spring? You just could not see them.

Barrier's Blog

Voting day is a great day. It's a day where we can thank God
that we are blessed enough to live in a place where we have
some sort of say in what happens within our government, not all
country's citizens can say that. 2020's voting day was just like
most days that we vote. On my way to work at each polling place
that I passed had long lines for people waiting to get in and take
part in their civic right.

It got me thinking about something. Sunday mornings. What a
glorious sight it would be to see that kind of excitement and
numbers on the way into the church building on the day God has
set aside for us to worship Him together! People in big numbers
waiting together, fellowshiping, talking and ready to be involved
in their sacred duty. How can we accomplish that? We have to be
disciples who make disciples! If we want the same kind of fellow-
ship and excitement we have for our country we have to have
even more of that for our God and show other people that it's
much more important to pledge allegiance to God! He explains
the process in His Word. In Matthew 28:19-20 Jesus says...*"Go
therefore and make disciples of all the nations, baptizing them in
the name of the Father and of the Son and of the Holy Spirit,
teaching them to observe all things that I have commanded you;
and lo, I am with you always, [even] to the end of the age."* Amen.

Be disciples who make disciples! That's how we accomplish the
same kind of excitement every Lord's day that we muster up every
2-4 years on election day. As great as the country we live in is, the
place we strive to spend eternity in is so much greater! Are you a
disciple making disciples?

In Him, **Todd**

Hines' Sight Continued...

They are hidden by a green photosynthetic pigment called
chlorophyll. When the sunlight hours start decreasing, the
chlorophyll begins to break down, and the green color disappears
bringing forth the red, orange, yellow and gold. The Lord's
presence is the same way. You may not feel Him or sense Him.
As you look at your circumstances, you may not see Him in those
circumstances. The Lord says, "I'm Here. Lo, I am with you
always". Can you think of a better way to spend your life than
in the presence of the Lord?

Phillip
