### Family VBS!

June 14-17 is the week of our 2021 VBS! This year it will be a little different. We are moving from a daytime to an evening VBS. The time will be from 5:30 pm to 7:30 pm. New to this years VBS will be an adult class. We will have different speakers each night for the adult class. Also, there will be food each night! We want to encourage all adults to take advantage of this class. The subject this year will be "Lost!" More information will be coming in the following weeks.

### Super Sunday!

Our first Super Sunday since the pandemic will be Sunday, May 23. We will have our regular worship at 10 am, and then eat together following the worship service. After our meal, we will have our afternoon service in the old auditorium. Since this is a special Super Sunday for us, we will have a guest speaker. More information about our speaker will be shared as we get closer to May 23.

### Saturday Cleanup

Thanks to everyone who came out and worked last Saturday on the cleanup day! A great deal of needed work was accomplished. Also, give Cooper and Rowdy a big pat on the back when you see them. They cut and maintain our grounds around the building. This is a big undertaking during the summer months.

## Barrier's Blog

Recently we were studying about friends in Bible class and just how important that having good friends can be. Having good friends can have many benefits. The Bible tells us that iron sharpens iron (Proverbs 27:17), so having a good friend helps us stay focused on God and we help each other stay sharp in the Word. In Ecclesiastes 4:9-12 the Bible lists many reasons why two are better than one. The verse ends by saying "a threefold cord is not quickly broken". Good friends within the church help us "hold the rope" when times are tough. As good as having friends can be, the Bible warns us to choose our friends wisely. We are reminded in 1 Corinthians 15:33 that bad company ruins good morals. A student in Bible class put it simply "their bad habits can rub off on you". In Proverbs 12:26 the scriptures tell us that the way of the wicked leads us astray. We must make sure our friends are helping to lead us in the right direction and vice versa. Friendships are a gift from God when we are trying to lead each other to Heaven and can be a detriment to our eternity if we aren't careful with the company we keep. What kind of friend are you?

In Him, Todd
