Upcoming Events to Put on Your Calendar

Part of the new family ministries here at the Hartselle congregation are events where we can come together, connect and fellowship with one another. They are also great opportunities to get to know one another better. We can also show our love towards one another so others can see Christ's love shining through. After all, in John 13:34 we are told our love for one another is what will show others we belong to Christ! That's what our whole #committotheH campaign is all about, committing to this congregation and to each other. So here are some events and dates we hope will be important to you and your family here at Hartselle. We hope to see you all at these events!

Barrier's Blog

In Matthew 6:33 the Bible says...

"But seek first the kingdom of God and His righteousness, and all these things shall be added to you."

It is clear that for the Christian to overcome the things of this world (as we are told can be done in John 16:33) the world cannot be #1 on our priority list. The only way to avoid being consumed by the ways of this world is to be focused on Godly things as our top priority. Many things happen in our lives. Lots of good things, which are easy to go along with, but also many things we don't like. We experience death, sickness, job loss, pain, etc... If we are focused on these things that are passing away, we will be eaten alive by the worries of this world. If we are focused on God as our number one priority, when these things happen we are not consumed by them and lead a much happier life. In the next verse, Matthew 6:34, the Bible says...

"Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble."

This confirms that if we seek first the things of God, we can focus on positive things instead of worrying about all of the troubles of the world! What are you seeking?
