## Barrier's Blog

Do you ever think that there are certain times of year that preachers have cliches ready for their Sunday sermons? It's just those special times of year that it seems like the holiday was made for a good old fashioned cliché, ha ha. The Fourth of July, which we celebrated last week, is one of those. Spiritual freedom vs. physical freedoms, a sermon writing preacher's dream! When you think about it though, what a perfect set up. In our country we spend so much time and effort on the subject, and rightfully so, what a blessing our freedoms are! However, do we focus as much time and effort on our freedom in Christ? After all, it's our spiritual freedom that will last forever and can't be taken from us by anyone else. The same can't be said for physical freedom. Many people died protecting our freedom in Christ as well, including of course, Christ himself! 2 Corinthians 3:17 says...*Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom.*

What an assurance from God, that no matter where we are, if in Christ, we have freedom! John 8:32 says...*And you will know the truth, and the truth will set you free."*

The truth of God's Word sets us free forever from all of the worries that worldly freedom can't. So as we focus on our country's freedom this month, let's not forget the freedom that truly sets us free! Are you celebrating and being thankful for your spiritual freedom every day?

In Him, **Todd**
