### Depot Days – Down Memory Lane

Tuesday evening, September 14, we will host  
this year's "Down Memory Lane"! This is held  
each year by the Hartselle Historical Society  
on the Tuesday before Depot Days. This is  
being done in celebration of our one hundred  
and one years as a church. The event was  
part of our 2020 plan to celebrate our one hundred years. Due to  
COVID we had to cancel all our plans for 2020. "Down Memory  
Lane" will be at our building. We will have many visitors from our  
community.

In 2019, we had formed committees for all four of our events we  
were going to have in 2020. Since all these events were cancelled,  
we need to form several new committees to help with "Down  
Memory Lane". On Tuesday night, July 13, we will have a meeting  
to reestablish our committees and add a few new ones. The time  
of the meeting will be 6 p.m. at the church building. We need your  
help! There are many preparations that need to be made before  
September 14. Preparations need to be made on the inside and  
outside of our facility. Displays need to be made. Food arrange-  
ments need to be planned as well. So, mark your calendar for July  
13 at 6 p.m. and come out and help us make "Down Memory Lane"  
a great success.

## Barrier's Blog

How do we grow our faith? Make it stronger? Depend on it to get us through the tough times when we are weak? It's a tough question and may be a tough answer. Like many things, something that might work for one person may not work for another. However, I think there is one thing that can help us all be confident in our faith...the testing of it. If we wait to depend on our faith until the tough times come we probably haven't built it up enough for us to stand on. On the other hand if we have tested our faith in other situations, when the toughest of times come we know we can depend on it. That's the way many Bible heroes did it. In Daniel 1, Daniel and his friends tested their faith in the King's food "incident" and came out better for it. This testing of faith had to have had an impact on them when they depended on their faith in other situations, the fiery furnace and the King's decree against praying come to mind right away. Paul continuously tested His faith and was strengthened spiritually each time which allowed him to continue to preach the Word even in the face of persecution. In Romans 15:13 the Bible says...

*Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit.*

Through the testing and growing of our faith we can find peace in the decisions we make which lead to the joy that our God gives us! Are you testing your faith?

In Him, **Todd**
