Down Memory Lane

Thanks to everyone who is helping with planning our "Down Memory Lane". This event will take place Monday, September 13, at 6 p.m. We appreciate the Hartselle Historical Society honoring our one hundred and one years as a church. Our committees are working hard to make this event a success. We will have people from the city in our facilities on that night.

You are going to be impressed with many of the things we are doing to celebrate the past century of the church. We will begin with a special video that Karen Owens has been putting together. There will be members from the past who will be impersonated by some of our present members. Displays will be throughout the building. Brochures and bookmarks will be handed out. Certain areas of the building will be highlighted. Of course, there will be some finger foods in the fellowship area.

Here is where you come in. This is a time to let our light shine in this community. We need you to be here and take part in this event! This is a rare opportunity to have this many people from Hartselle into our building. They need to see you here! They need to see your love for this church and your love for this town. How disappointing it would be to have only a few of our members show up. Sometimes Christians say, "I can't talk to people about my faith. I don't have that talent." Brethren, you will preach a tremendous sermon about your faith if you just show up! Mark your calendar for Monday night September 13 and be here.

OUR SYMPATHY

We extend our sincere sympathy to the family of **Dr. Jack Zorn**, founder of Lads to Leaders and influential in so many lives. Dr. Zorn was not only known and loved by those who have been involved in Lads to Leaders programs locally and nationally, but because of his dreams, people around the world are shown how to be leaders and workers in the Lord's church. He leaves a legacy to be long remembered. His memorial service will be August 28, 2021 at the University Church, Montgomery, AL.

♥ Also, Della tells us that the late Daniel Carmon's youngest brother, **Stephen Carmon**, was killed in an accident in Madison, TN last weekend.

Barrier's Blog

I read a story about a man who was touring a elephant camp. It is a place where they train elephants for things like zoos or a circus. The most amazing part to the man was how the elephants who weren't being trained were held in place. Each one had a wooden stake with a rope attached and that one rope tied to its back leg. The man couldn't believe that the elephants didn't escape and destroy the whole camp. So, he asked a trainer why the elephants don't escape. The trainer told the man that when the elephants were very young and small, they were too weak to escape. Now, they were conditioned to think they couldn't do anything about it..., when in reality they could easily break the rope and be set free.

Sometimes in our relationship with God we go through the same struggle. We want to let go of things that are holding us back from God, but we have conditioned ourselves to believe we can't change and nothing can be done about it. In reality, the Bible teaches us that we can do all things through Christ who strengthens me (Philippians 4:13)! Jesus is a chain breaker! He can break the chains (the elephant rope) that are holding us back from a reality with Him. Are you ready to be set free in Christ?
In Him, **Todd**

"Down Memory Lane"

We, working with the Hartselle Historical Society, plan to host this city event **Monday, September 13, 2021, here at the building. Down Memory Lane begins the week of Depot Days in Hartselle.** Many are working hard to make this a very interesting and informative evening chronicling our history for the past 101 years, and opening our doors to the community to learn more about the Hartselle Church. Refreshments will be served. Make sure YOU are here to greet our guests!
