Workday this Saturday!

This Saturday morning at 8am, we will have a workday here at the building. Our plans are to weed eat and clean out the beds around our facility. We could use as many as hands as possible. We should be finished by ten or eleven.

South Alabama Work this Weekend!

This weekend, we will have a group in South Alabama including: Frank & Telula Thornton, Terry & Dianne Thompson, Tony & Lisa Parker, Talmage & Kathy Reynolds, Joe and Quinton Martin, Linda Strickland, Tim and Ray Skelton and SyRhonda Tolbert and three granddaughters. The group leaves early Saturday to be with the Idaho Street and Hayneville churches Saturday; then worship with the Legrand Congregation Sunday. In June, Frank & Telula, Todd, members of our HYG Youth group and a group of adults, did a Vacation Bible School for all ages. This trip, along with enjoying the fellowship, Bible study, devotionals and meals together, we will disperse school supplies for the children of these churches. We thank each of you who gave to make these supplies available for this effort. This spring, Frank & Telula, who have successful, ongoing Children's Programs in Romania and Selma, provided the blue Dodge van for Hayneville's Children's program; then, this summer, after minor repairs, the church donated our Ford van to the Legrand Congregation. Working together with these congregations is truly a blessing for us all.

Family Day

Make plans to be with us Saturday, August 14, for Family Day, beginning at 11am & ending with a fish fry from 1:30-3:00pm. We will have spiritual sessions for all ages. Make sure you register online so we know how many folks to prepare for.

Barrier's Blog

Impact. What a word. It's formal definition is this: *the action of one object coming forcibly into contact with another.*

Like most words it has more than one meaning, I like one of the other definitions: *have a strong effect on someone or something.*

Most Christians have felt both of these definitions when it comes to our life as a Christian. The forcible contact of understanding what Jesus did because of my sins. The strong effect His actions had to make me understand I needed Him more than anything. In a world where a lot of people still don't know the true gospel of Christ, we should be cognizant of our impact as Christians. When we represent Christ we may be the only contact someone ever has with the gospel. That impact can have a positive or negative effect on someone. Impact. The Bible tells us, in Matthew 5:13-16. for US to represent Him on Earth. To be the salt, the shining light of the world. The impact. We are the ones that will have a gospel impact on the world, it's up to us if someone sees it in a positive or negative light.

Are you focusing on your impact?

In Him, **Todd**
