### **Down Memory Lane**

I hope you have marked the "Down Memory Lane" event on your calendar. The date is September 13 at 6 p.m. Please make plans to be with us from 6 to 6:45 p.m. as we greet guests from our community. It is important that you be here. We plan to begin with some opening remarks and a video in the auditorium at 6 p.m. Karen Owens has done a tremendous job producing this video. The video will make you feel good about this church. At 6:15 p.m. we will be free to stroll through the building visiting several folks from the past and displays about our history. Refreshments will be served in the fellowship area afterwards.

We have had several folks working on various committees to make this event possible. On Saturday, September 11, we will have a workday at the building beginning at 8 a.m. This will involve both the inside and outside of our facility. This shouldn't take too long because quite a bit of work has already been done.

### **New Youth Minister**

Justin Smith will begin his work with us as our new youth minister, Wednesday, September 15! We are looking forward to having him and his wife, Savannah, being a part of our Hartselle family. We will have an ice cream social after our classes that evening. Also, we ask everyone to purchase a gift card and bring it to them that night. I know this will help them to get settled into their apartment.

## Barrier's Blog

Obstacles. The word is defined as... *a thing that blocks one's way or prevents or hinders progress...*

We all want one word from that definition, "progress". We want progress in our relationship with God. We want to grow closer to Him, we want to know Him and we want to be more like Him. Life presents obstacles to that. Sometimes we create our own obstacles. Some obstacles that limit or destroy our progress with God are time management, health, relationships, priorities, sin and many others. Some obstacles we have no control over (other than our attitude towards them) and some we have complete control over. The problem with obstacles is when we begin to ignore them. We pretend they aren't affecting our relationship with God. Instead of partnering with God to move the obstacles in our way we just avoid them or go around them and create new ones. In John 9:4 the Bible says...*"I must work the works of Him who sent Me while it is day; [the] night is coming when no one can work."*

When we have the opportunity to move obstacles in our way to a better relationship with God we must do it, while we still have the chance. Are you avoiding obstacles or partnering with God to move them out of the way?

In Him, **Todd**
