Down Memory Lane

This Monday night the Hartselle Historical Society will recognize our 100 years as a church! This event begins at 6 p.m. in the auditorium. We will kick things off with a brief history of our church, a video of past events and people who were a big part of the history of this church. Thanks to Karen Owens for spending hours putting this video together. Around 6:15 p.m., everyone will be dismissed to stroll through our facility and see many interesting displays of our past. Of course, there will be refreshments in the fellowship area. Be sure you are here to let our community know that we love this church!

A great deal of work as already been done to prepare for this Monday night. Much more will be taking place this weekend. Remember our Inside and Outside Workday Saturday at 8am. Thanks to Mark Reynolds, Carl McCaghren, Scotty Lee, and Tony Parker for the many hours they have put in painting and repairing the garage. We will have a meeting immediately after our services Sunday morning in the old auditorium with all commit-tees. Also, if you would like to be a greeter, we need you to meet with us as well.

New Youth Minister!

Our new youth minister, Justin Smith and his wife, Savannah, arrived in Hartselle Tuesday night. Over the next few days, they will be settling in and getting things in place. We are glad to have these two fine young people as a part of our Hartselle family. Their information is 1308 Autumn Lane SW, Hartselle, AL 35640. Justin (256-485-9625) & Savannah (256.470.2782); Email: Justinsmithsemailaddress@gmail.com.

THANK YOU NOTES

Your kindness and love have shown through your prayers and cards for us during this time.
Love, Mary Nell & Billy

I appreciate the love and concern showered on my family during the sickness and death of my mother. God's plan for the care of His children is carried out daily by the Christians here in Hartselle and is one the best things about being a part of this congregation. Food always seemed to show up when needed the most and the meal after the service was, as usual, outstanding. I could write volumes, but time and space limit my words. You never forgot my family and for that I am grateful,

Thank you. Karen Owens & Family

Barrier's Blog

Community is a huge part of being a Christian. Over the last 20 months online church has become huge. The need was there, the technology was there so it was a smart and useful tool. Online church services aren't going anywhere, and they shouldn't. We need that alternative in the world we live in today. However we need to make sure it doesn't become a crutch. It doesn't become an excuse to skip gathering with the saints for services. Why? What I mentioned earlier, community, community. Gathering with one another is so much more than what we think it is sometimes. It's how we grow as a community of believers. It's how we care for one another, it's how we lift one another up, it's how a community of believers influences one another. Online services are a great tool and are needed sometimes, but being together is how God intended worship and it's so much more than just "being there". The Bible says as much in Hebrews 10:24-25...*And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as [is] the manner of some, but exhorting [one another], and so much the more as you see the Day approaching.*

Love, good works, exhorting one another, so much the more. All of these things are part of being together and shouldn't be something we take for granted. The last year has shown us how much we need each other and we need to be together to worship God! Let's use online services when needed, but let's be ready to be together when we are able. Are you ready to assemble together as a community?

In Him, **Todd**

Usually we have 5th Wednesday Night Singings; Wednesday Night, **September 29th, ALL Classes will be in the Old Auditorium for our 5th Wednesday Devo!** We will still sing as usual, but we will also have young men leading prayer, reading scripture and giving brief talks.

Men/Young Men, wanting to lead a song, please give Todd your song & verses to be sung to be added to our list. Make sure to join us Wednesday, Sept. 29, to sing and support our young men as they grow in service to God!

PLANNING MEETING

Ladies, there will be a **planning meeting for Savannah Smith's Baby Shower, this Sunday night, Sept. 12,** after classes in the Commons Classroom. See Christen Hines if you want to help but cannot attend the meeting.
