Busy Holiday Season!

In the coming weeks, we will have opportunities to be involved
in several great works and days. Some of these will involve
the privilege of giving financially. Listed below are a few:

THANKSGIVING PRAYER SERVICE

Next Wednesday night, we will have our annual Thanksgiving prayer service.
All classes will meet in the small auditorium at 6:30 p.m. During this time,
we will sing, pray, and listen to the reading of God's Word. Together, we
will count our blessings.

CHILDHAVEN THANKSGIVING APPEAL

Each Thanksgiving, we take up donations for Childhaven. We will do
this through the middle of December. If you would like to give to this
great cause, give your money or checks (make all checks to CHILDHAVEN)
to any Shepherd or the office staff.

SUPER SUNDAY!

December 5th will be the date for our December Super Sunday! After
our morning worship we will spend a great time in fellowship as we eat
together in the fellowship area. Also, I think we are going to have our annual
visit from you know who! The children always love his visit. After our meal
together we will gather in the small auditorium for an afternoon devotional.

Also, December 5th has been set aside by the Shepherds for our annual
chipping away on the building loan. This is where we have the blessing
of giving above and beyond our regular contribution to pay down on the
principal of the loan. Each month we are paying extra on the principal.
This contribution in December helps to put a big dent in the loan. If
things continue to go as they have been, we should have the building
loan paid off in five to seven years!

FEEDING THE HUNDREDS

On Christmas day, we will again feed the hundreds! Plans are already
underway to make this happen. In the coming weeks, plans will be our
for you to fill. If you can't prepare the food at home, we can get dressing
locally. See Jo Ann Sneed for the cost. This is such a great outreach for
this church. We need everyone involved.

CONTRIBUTION COMMENTS

If you wonder why our weekly contribution amount fluctuates—from a minimal amount some weeks; then, other weeks, to a much larger figure—here's why. In years past, weekly contributions were usually close in amount.

Now, in 2021, a variety of ways are available to give to the church: as always, giving each Sunday by check or cash; and/or using envelopes for cash donation documentation; using bank bill pay or auto pay; giving by our app on your phone; mailing a check; or stopping by the office to leave your contribution.

Receiving contributions weekly, bimonthly, monthly, annually bi-annually and occasional large amounts (making up for weeks missed or as some have additional monies to give) cause our weekly totals to vary. However you contribute, we know that we can count on your contributions to make the Gospel available to many by livestream, correspondence courses, and special efforts, as well as making all the works of the church here in Hartselle possible. This is definitely a GIVING church!

To God be the glory!

★ 2021 Contribution Receipt Letters documenting checks, cash given in designated envelopes and online giving will be issued by January 31, 2022.

Barrier's Blog

When we think about the Bible person Lot, our mind usually goes straight to Sodom and Gomorrah. I think when we do that we short-change him. Lot's choice to choose the land that he did, when he and Abraham split up, led to the things that happened in Sodom and Gomorrah but that's not the end of Lot's story. If we only remember that part of the story we define Lot by a choice he made, but in the end of the story he is defined by his reaction to the results of that choice.

Often, we make bad choices that lead to negative results. When we are defined by those choices the negativity just continues to build in our life. However if we respond to those choices in a positive way we can recover and thrive in our relationship with God. In Genesis 19 when God sends his angels to destroy Sodom and Gomorrah, Lot is instructed to leave. God hasn't given up on Lot, even after a bad choice. Lot ends up doing what he is told, he is now in recovery mode from the results of his choices. Lot didn't give up on God and neither should we, because God will never give up on us as long as the breath of life is in us! So when we make choices that have a negative impact, don't be defined by those, be defined by the way you respond to those things. When we make choices, remember Lot and the lessons his story teaches us. What kind of choices are you making in your life?

In Him, **Todd**
