Coming Events! Sons of the King

Our first "Sons of the King" for 2022 will be Saturday, January 22. It will begin at 11:30 a.m. Todd does a great job with these special days. Men let's set aside the time Saturday week for this event! It will be well worth your time. I understand, Scott Forsythe is cooking up one of his special formulas for our meal. Don't worry, we will have plenty of Pepecid available!

M & M

We will start back our "Mondays and Ministry" Monday night, January 24th. The signup forms will be available this Sunday. The ministries for this month will be singing at Columbia Cottage, writing cards and notes, delivering food, and working around the building. Also, information concerning our recent guest and sick will be shared with all. If you plan to sing at Columbia Cottage, be there a little before 5:30 p.m. The singing will be from 5:30 to 6:00 p.m. If you sign up to deliver meals, pick them up at 5 p.m. in the kitchen of the fellowship area. We will all eat together at 6:10 p.m. This will allow those who are singing at Columbia Cottage the time to get to the building. We need you to mark what ministry you will be participating in and if you are eating or not. Make plans to be with us for this time together.

Super Sunday

Our first Super Sunday of the year will be January 30! This year we are scheduling guest speakers to be with us for these special days. Kirk Brothers, the president of Heritage Christian University, will be our speaker for this Super Sunday. Dr. Brothers is doing a tremendous job at Heritage Christian. He is a great speaker, and we are going to be better for having him with us. As usual, we will have our fellowship meal after the morning service, and then return to the old auditorium for our closing service.

Pray for our family members, friends & neighbors suffering spiritually, physically and mentally. Cards of encouragement are always appreciated.

In Psalm 139:13-18 we read about how precious life is. We read about the painstaking detail that God took to “knit” us together. These verses are made so much more meaningful when we read v.1-12 along with it. We see that we are intimately known by God. In those verses we read about how God knows our thoughts, our words and our motivations behind those things. He even knows them before we ever say or think them! This should give us a level of comfort knowing that when we don't think anyone understands, God knows, because God knows us! When we learn these things, v.13-18 mean so much more. We are individually special to God. He created each one of us and knew us even before we were formed by Him. What comfort we have simply by the fact that we are known by God! Do you know Him?

In Him, **Todd**
