THE UNKNOWN WRITER #2

Last week, I shared how I received devotionals from someone I do not know. Many of them are thought provoking. Below is one I received a few days ago.

*The Lord is on my side; I will not fear.
What can man do to me? "Psalm 118:6*

Fear, it leads to worry and obsession. It causes us to overreact or become paralyzed with inaction. When you feel the anxiety rising up in your throat and constant reminders abound to keep your broken record of thoughts swirling around, fear not. For the Lord is with you. If you seek Him, He will provide peace, comfort, and understanding. When the fears begins to rise up, conquer it! Do Not let fear reign over you. The Lord is more powerful than fear. God said at least 365 times in the Bible to FEAR NOT. Don't you think we should listen to Him? This pandemic has put fear into the hearts and minds of the majority of our nation. People have stopped living out the fear of catching it and this includes not attending church to worship our awesome God who says to fear not. It's time to wake up and put all of your faith and trust in the one who can move mountains. So don't let Satan put that fear on your mind. Stay off social media and news reports for a month and watch the difference it will make. You want to see a difference in our world? Start by letting it begin with you.

I have always loved Mountain Dew. It was always my go to drink. Unfortunately for the last 2 years I just can't drink it any longer. When I got COVID, I lost my sense of smell but not my sense of taste, however, it seems my taste buds were changed forever. Some things just don't taste the same any more, including my favorite drink, Mountain Dew. It just tastes bad now, nothing like before. It reminds me of a Bible verse. In Matthew 5:13 the Bible says...

"You are the salt of the earth; but if the salt loses its flavor, how shall it be seasoned? It is then good for nothing but to be thrown out and trampled underfoot by men."

Just like COVID totally changed my taste buds, Christ totally changes us! We should no longer be "flavored" like the rest of the world, but our "flavor" should be different. We should see things in a new Light and act and live according to that Light! The world should see something different about us than what it's used to. We give the world a whole new flavor through Christ! Has Christ given you a new "flavor"?

In Him, **Todd**
