What Does It Take?

A quote from Todd Barrier's Facebook page, "I have to say this has been the best VBS week yet!" That's high praise coming from Todd. He's directed VBS at Hartselle for the last 14 years! A special thanks to Todd for his hard work and leadership this past week; this event would not be the same without him!

So what does it take to put on the best VBS week? In short, an incredible week of VBS is the result of an incredible church family. To the decorators, teachers, co-teachers, food prep team, errand runners, food servers, sound booth operators, animal bringers, security team, financial donors, church secretary, elders, adult class attendees, and every volunteer we give a HUGE thank you.

This event, and this congregation, is special because there are many people willing to help and use their talents to impact this community. We had around 200 people in our building nightly praising our God, this is so encouraging! Now as we look to VBS in 2023 I hope that you will go ahead and be thinking about how you want to help make it even better next year!

A Growing Family

A healthy church is a growing church, and in the last month alone we have had 6 new families identify with us. Praise God for that! We seek to grow not only so that our pews are filled, but so that our impact for the Lord in the communities of Hartselle and North Alabama is greater. I believe we have grown not only because our congregation has a lot to offer our members, but also our members have a lot to offer our congregation and communities! We truly have a special family here at the Hartselle Church of Christ and it's so encouraging to see that family grow.

Justin

John 3:16 is possibly the most known or most popular Bible verse in the world. It says...

"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life."

Let's look at why it's so well known, some of the key things that might comfort us when we read it. The first big set of words is that He "loved the world" and then "whoever believes". This includes you as an individual, how awesome is that?! In tough times we know that God loved YOU so much He gave His son for you to be able to spend eternity with Him. We know that *whoever* (again, this includes YOU) believes in Him (full faith belief!) He has a place in eternity waiting for them! Even when we think we are alone we have a God that loves and cares for us so much He made a way for each of US! No wonder this verse is so popular, it gives every person on earth a hope they will not find anywhere else.

In Him,
Todd
