Looking Up To Our Teens

This week the Hartselle Church of Christ Youth Group had a “Week of Service.” This is a week that teaches our teens the importance of service to our community, the needy, and our church family. We had great participation and accomplished a lot of good. Monday, alongside of 2 other churches, we went to Childhaven where we did yard work, sorted donations, and had lunch with residents. Thursday we worked hard around the church building moving rocks, pulling weeds, and removing old mulch. Friday the group volunteered at a women’s domestic violence shelter and then went and did some yard work at some of our members’ homes.

A huge thank you goes to **Kenzie Barrier, Ellie Barrier, TJ Brown, Sellers Brown, Sydney Brown, Samuel Cotner, Abbey Jones, Adelyn LeMay, Mattie Reynolds, Addie Shaneyfelt, Ty Sims, Makenna Steele, and Briley Steele.** They worked in 90+ degree heat and never complained. They were eager to learn and jumped at each opportunity to serve. They also had a lot of fun while serving alongside of each other.

Service is sacrifice. These teens sacrificed their time, energy, and egos for the purpose of helping others. Even though they are young, they have given us a wonderful example for how each of us are called to serve. While this week was designed to teach our teens about service, I learned something from them while watching them work. Yes, service is sacrifice, but also service is joy. I saw joy as they worked together, as they spoke with the people we were helping, and even at the end of the day when they were tired, I saw joy in the satisfaction of knowing they had labored to help others. This was a great first year of Service Week and we are looking forward to doing even more next year!

Justin

PRAY FOR OUR MILITARY

★ Wes Parker ★ Sean Nowak ★ Mitchell Swann

I remember the first time I ever preached a sermon. I was so nervous and excited. I lived in Orlando, FL and was helping my church with their nursing home ministry. I began the sermon and thought things were going well. All of a sudden a woman stood up and raised her hand. I thought I had said something wrong and didn't know what to expect. I stopped and called on her and she simply said the following "Bible, B.I.B.L.E. Basic Instruction Before Leaving Earth, I just wanted to say that". I thanked her and went on with the sermon. Thinking back, she was absolutely right. The Bible gives us basics on how to live a good and righteous life while on earth, to prepare us for eternity. So many Bible verses teach us to get that basic instruction...

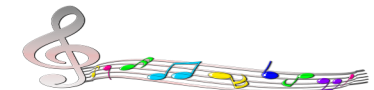

2 Timothy 3:16-17 says *"All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness, that the man of God may be competent, equipped for every good work."*

Luke 11:28 says *"But he said, Blessed rather are those who hear the word of God and keep it!"*

John 8:31-32 says *"So Jesus said to the Jews who had believed in him, 'If you abide in my word, you are truly my disciples, and you will know the truth, and the truth will set you free.'"*

These are just a few verses that show us to make sure we know God's Word and it will help us while here waiting for eternity. Are you getting your basic instruction?

In Him,
Todd

SPIRITUAL OVERTIME is this Sunday evening. We will stay 30 minutes longer to sing songs of praise. Check out our Facebook page for the songs we will be singing.
