Caught Doing Good

When Savannah and I first moved to Hartselle 10 months ago there were a great many things that impressed us about this congregation. One of the first things we noticed was how many members went above and beyond in dedicating their time, skills, money, resources, and talents to the work of the church. Since then, we have had many discussions about how lucky we are to be at a congregation of the Lord's church that is filled with "doers." In the last 2 weeks the church staff has caught several people doing good around the church building. I know not every doer of good was caught, but just know that if you keep doing good you will be caught one day!

We caught **Ben Hughes** out in the heat working on our AC; thank you for making sure we stay cool! We caught **B.C. Smith** pressure washing our sidewalks; thank you for your hard work! We caught **Sheila Kyle** tending to our plants and doing some weed pulling; thank you for keeping our church beautiful! We caught **Nancy Fox** replacing our Members/Visitors cards in the pews; thank you for your service! We caught **Greg Teague** installing a new safety gate; thank you for keeping our children safe!

A Legacy of Service

One of the saddest things is to see a legacy of good die with future generations. As seen above, we have a legacy of service here at the Hartselle Church of Christ, and we do not want to see that legacy go away. That is why the youth group has dedicated the week of **July 11th-15th** as Service Week. This is a week that is all about teaching our next generation the art of helping others. We especially want to help our elderly, widowed, shut-in, and sick. If you know of a need, please let Justin know as soon as possible!

Justin

Our country celebrated Independence Day this week. What a blessing it is to live in a country like this. For the Christian, this is an even greater blessing than we realize sometimes. In many countries across the world free exercise of religion is not permitted unless you are part of a state sponsored religion. Thanks to the men and women who have fought and died for our freedoms we don't have that problem here in America. We take this freedom very seriously and are thankful for it. In this country and even in those where there is no religious freedom Christians can be thankful for the same thing, freedom in Christ! Whether we live in a free society or one in which we are persecuted we know we are all equally blessed by Christ! The true freedom in life comes in a relationship with Him! We get caught up in things of this world but the only true freedom a person can have is that knowledge of being saved by Christ. 2 Cor. 3:17 teaches us that where the spirit of the Lord is, there is freedom. John 8:36 says if the Son sets you free, you are free indeed. Romans 8:1-2 teaches us that we are free from death and sin through Christ Jesus. What a liberating savior we have! As we think about the many who have sacrificed for our freedoms here in the U.S. let us always remember the ONE who set us free from sin and death! Are you free in Christ?

In Him,
Todd
