A Glowing Compliment

This past week I traveled to Murfreesboro, TN for a celebration in honor of an old friend completing his doctoral program. While there I caught up with a well-known traveling gospel preacher. When he asked how my work in Hartselle was going, I responded with several compliments about our wonderful church family. I told him it was a very healthy and loving congregation that was active in work for the Lord. His response was, "I've only been there once. I spoke probably 6 or 7 years ago, and I very much got that feeling while we were there." What a testament to the people here! A man who has spoken at hundreds of congregations of the Lord's church remembered us for our love for each other and the Lord.

What Makes A Healthy Congregation?

-Spiritual Shepherds

Healthy congregations need healthy leadership. Shepherds should be qualified men (1 Tim 3:1-7), who love the church, have a passion for service, and a vision for the local body. I'm thankful for our shepherds: Talmage, Darrell, Alan, Phillip, and Lee!

-The Gospel

At the center of a congregation is the proclamation of the good news of Jesus. Healthy congregations need preaching/teaching that is filled with doctrinal soundness, hope, compassion, conviction, and most of all, Jesus. I'm thankful that we have ministers such as Phillip, Todd, and Frank who boldly proclaim Jesus on behalf of the Kingdom of God.

-A Family

Healthy congregations look and feel like a family, because they are one! The New Testament has more than 135 references to our being "siblings" and 59 to our caring for "one another"! As God's beloved family, a healthy church listens to one another, loves and prays for each other, they offer practical care when needed, and every member is valued. I'm thankful for our church family and the sweet spirit that makes us one!

BIBLE CLASS TEACHERS NEEDED There is a sign up sheet in the Commons for those willing to teach the Pre-School age classes beginning in the Fall. Hopefully we can get enough teachers to have a 9 month rotation so you will teach once every 3 weeks or so. See Mike or Dawn Runager for more information.

HELP NEEDED Elaine & David Bradburn, who are moving here and plan to worship with us, need help getting their house ready to move into. David has had four major surgeries recently and can't do a lot yet. If you are willing to help please see Jan Harris.

In Luke 16:11 the Parable of the Unjust Steward is about to wrap up. In this verse Jesus asks..."Therefore if you have not been faithful in the unrighteous mammon, who will commit to your trust the true [riches]?"

In the verses preceding this Jesus told a story about a man who had not taken great care of the things his master left him with. Now the master had come to ask the steward to give an account. The parable teaches us that if we can't or won't be good stewards of the physical blessings God has given to us, we won't be good stewards of the much more important spiritual blessings we have. We should be preparing for our eternal future where we have to give an account to God. We spend lot's of time preparing for our future here on earth, but need to pay more attention to our eternal destination. The parable also reminds us we can't have two masters. We either love God or love the world, whichever one we are committed to will lessen our time and devotion to the other. Are you putting God first and being a good steward of the things He has blessed you with?

In Him,
Todd
