The Great Physician

This past week Savannah, Wyatt, and I were all sick with Covid. Symptoms for each of us included: fevers of around 103 degrees, chills, a lack of energy, congestion, body aches, and more. Feeling bad yourself while trying to care of a sick 9-month-old made for a tough week. Thankfully, we had many from church who were looking out for us. Many offered to bring us meals, drop off groceries, or to pick our prescriptions up. A loving church family was the perfect medicine for our ills! Many of you have also had to deal with Covid during this pandemic. While this sickness is serious and can even be life threatening, there is a sickness that worries me more, and that is a sickness of the soul.

A sickness of the soul is a terrible condition to experience. If left untreated, this sickness of the soul always ends in death (James 1:14-15). Symptoms may include: inner turmoil, crippling guilt, unresolved sin, jealousy, struggling relationships, hopelessness, avoidance of Christian gatherings, eternal damnation, and headaches. These symptoms brought on by the sickness of the soul lead to a difficult life.

Unfortunately, we have all experienced this soul sickness known as sin. Thankfully though, there is a cure! Jesus Christ is that cure. He calls us out of our sickness, out of our sin, and into a perfect relationship with him. Jesus is the only solution to the problems of this world. If you are someone who is experiencing the symptoms of soul sickness, look to Jesus – **The Great Physician.**

School has started back. Schedules are busy with work, sports, school and other activities as well. The summer of vacations and parties is over and it's back to reality. No matter what time of year it is, we are all busy. We live in this fast paced world full of things we have to do and things we choose to do. Whether it's summer time or here at the beginning of a new school year we can't lose focus on what's most important, our relationship with Christ! To do that we must have our feet set in Christ, in all things! He says in Matthew 28 that he has all authority. As a child of God we have submitted to that authority. He also says that we should value coming together to exhort one another and to stir up love and good works (Hebrews 10:24-25). So, according to His authority, it's a must that even with so much going on we make time for God and His people. In fact we can't just make time and squeeze Him in, He has to be our top priority (Matthew 6:33)! When He is, the chaos of this world becomes much easier to handle, no matter what time of year it is. Are you making time for Him?

In Him,
Todd
