**Hartselle
 Something Old, Something New**

Did you know our wonderful city has a new motto? In December, after months of rebranding efforts, "Hartselle: Something Old, Something New" was pronounced as the new brand for the city of Hartselle. The new brand was revealed in a video by the Hartselle Area Chamber of Commerce. If you give it a watch, you might even see a few familiar faces! Part of that video says this,

"Here in Hartselle, the old stands for continuity while the new symbolizes great optimism for the future. From the football fields to Main Street and all the favorite gathering spots in between, by reaching back to move forward, this city represents the best of both worlds, where people treasure and embrace yesterday as they head towards tomorrow."

I like our new motto, and I think it's very fitting for this town of ours. It's also very fitting for our church. The Hartselle Church of Christ has a rich history. A history of men and women who are faithful to the Lord. A history of loving our neighbor. A history of serving both our local community, and communities worldwide. While we have a rich past, we also have an exciting future. We have new ministries on the rise. New families moving in. New blessings to share.

"Something Old, Something New" also reminds me of our steadfast Father. Lamentations 3:22-23 says, "The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness." God's love for us is old. It began before he spoke the world into existence. God's love encourages us from this passage written all the way back in the 6th century BC. His love was shown 2000 years ago through His Son on the cross. His love is ancient, and yet it is still new for those who seek Him daily. His love for us never ends. When you place your trust in the Lord, you feel his love and mercy like new every morning. By His ancient love we are renewed daily. I hope this week you bask in the Love of God. I pray that you allow his "something old" to create in you "something new."

There is a really good story of something that happened to David in the Bible that I think we can relate to and learn a lesson from. As David was traveling away from Jerusalem to escape the wrath of Absalom, a man named Shimei who was a relative of Saul began to harass David and those traveling with him (2 Samuel 16). He began cursing at them and even was throwing rocks at them! He also gloated that David was running from Absalom. Eventually one of David's companions asked him why he was letting Shimei do this and asked if he could "dispose" of him. David's response was basically to ignore Shimei. He said that they should let him continue and the Lord would take care of it, if he endured it the Lord would bless him. Shimei was like a mosquito in the room. Continually bugging David, but not much more than a nuisance. Many in our life will try to throw us off track, bringing up our past and all the mistakes we've made, possibly hurting us but definitely annoying us. It's best to take the advice of David and let God handle it. Like Shimei, who we don't hear much else from, they will eventually wear themselves out and be gone from our lives and we will be blessed by having endured it. Is God your problem solver?

In Him,
Todd

THANK YOU

To My Church Family,
I want to thank you so much for the visits, cards, food that you provided and prayers during my recovery from my fall. My broken hip is getting stronger so please keep continuing prayers for fast recovery and prayers so David can keep his patience with me due to every day struggles.
