**Easter Sunday**

Easter is always one of my favorite Sundays of the year. I love it because of the weather, people dressed in their "Easter clothes," and that we often have many visitors joining us. Most importantly though, this is a time where the Christian world is focused on the resurrection of Jesus. Our entire hope as Christians is based on this one event, so it is worth celebrating! I hope you make plans to be with us this year as we celebrate that the tomb was found empty!

**Common Grounds**

This past Sunday we had the opening of our new fellowship area called Common Grounds. If you have not seen it yet, you really need to check it out. This newly renovated area is serving as a before worship meet and greet space. A special thank you goes to Mark Reynolds, Rowdy Holt, Jeff Harris, and David Thompson for transforming the Commons classroom into this incredible new feature for us. Stop by to fellowship and grab a cup of coffee on Sundays from 9:30-10:00am.

**Church Workday**

Please mark your calendars! On the morning of April 22<sup>nd</sup>, we will have a workday at the church building. We will be taking care of some important projects around the building, and we will need your help. I hope you make plans to join us!
