Vol. 23 • No. 23

6-14-2023

There is no week within a church building like the week of Vacation Bible School. The church building, and often the church members themselves, go through quite the transformation. Gone from the stage are the podiums and instead appears a mountain scene with waterfalls, tents, animals, and snow. The church pews, normally reserved for well-behaved adults, now attempt to contain kids (and some adults) singing and yelling at the top of their lungs. Lessons are taught not just by lessons in classrooms, but also by crafts, activities, and even pyrotechnics! It's truly a sight to see!

The week of Vacation Bible School is a uniquely fun week, but it is a week with a purpose. The transformations throughout our beautiful church building serve to strike wonder and awe within the hearts and minds of our children. A wonder and awe that their God is awesome. A wonder and awe that God has done incredible things in the past, and more importantly, will do incredible things for their future. We have already had three nights down for Vacation Bible School. It's been well attended with at least 200 here each night. Some of these children have not heard the gospel before or know how much God loves them, but they are hearing it this week, and that is what VBS is all about.

We have had so much fun with VBS and are looking to close out with a bang tonight. In next week's newsletter we will have some more to report on VBS, but for now please pray for our children and especially those who are hearing the gospel for the first time. Pray that we will be able to follow up and water the seeds that have been sown this week. Pray that the Kingdom of God will grow due to our efforts at VBS this year!

Justin
