A Light On The Hill

Like many Hartselle residents, last week during one of the storms our power went out for about an hour. I gave our 19-month-old a flashlight and lit candles throughout the house so he (and maybe me too) wouldn't be too afraid of the dark. Light does that. It removes fear. It brings comfort. It offers hope. Light informs us. It helps us to stay safe from tripping over toy tractors in the floor. We need light.

The church is supposed to do the same things. I love that one of the names for our congregation is "A Light On The Hill." We too embody the same principles of light. In a dark world that often seems scary, the church should be a place that removes fear, brings comfort, and offers hope. In a world where many are lost and looking for a path that provides purpose, the church should be a shining beacon that, powered by Christ, illuminates the pathway that leads to true life. In a world filled with misinformation, lies, and confusion, the church should be a place that points people to the truth. Humans need light, and more importantly, souls need the church!

Be the light this week. In your work, in your home, at school, wherever you go: be the light! Be the candle that illuminates the love of Christ for every room you are in. But don't forget, lights are strongest together. Gather with other lights. Join God's people in worship. Study God's word together. Serve in our community and town together. It's when we are together that we can go from a candle illuminating a room to a lighthouse offering hope for many.

Lighthouse Benefit Yard Sale

We are so blessed to have the preschool program that we do. It provides employment, is a great Christian educational experience for our preschool students, and it is a shining light in our community. Like any nonprofit, our lighthouse operations heavily rely on the generosity of others. This weekend there is a great opportunity for you to help this great work. Friday, July 14<sup>th</sup> and Saturday the 15<sup>th</sup>, the Lighthouse Preschool will be hosting a yard sale. All proceeds will go to the preschool and address the needs that the school has. Specifically, the need for an improved playground, a sensory wall, and a wagon for the baby class. You can help by sharing the information with others or showing up to shop! The yard sale will be located at Tim and Kasey Brown's home at 2250 Collier Dr. NW.
