Hartselle Kids Give

This Sunday morning, January 7th, we will begin Hartselle Kids Give! Since 2020 we have not been passing the offering plates down the church pew aisles, and kids have not had the opportunity to participate in worship by contributing money.

We want to give them this opportunity, and that is why I'm really excited about Hartselle Kids Give. During the song after our opening prayer, children can come to the stage area and place money in the buckets. Parents/Grandparents, if your child is younger and needs assistance, please walk with them to the front and help them. This is going to be a wonderful way to teach our kids about giving to the Lord and how to have a healthy view of money. So be sure to bring some \$1 bills or some spare change so your child can contribute. Our plan is for at the end of the year to take the money we collect and put it toward something that the kids can see and be excited about!

Elders Night

On Sunday evening, January 14th all adult classes will meet in the small auditorium. During this time our elders will present to the congregation the plans they have been making about 2024. I am excited to hear the things they are going to present. I hope you make plans to be there and to find out how you can plug in More in 2024!

Thank You

This is a special congregation that is caring in so many ways. This week I have heard many stories about the way our church has been looking after the sick, recovering, and grieving. It's inspiring and makes me feel so proud to be your preacher. I also see the ways so many of you have contributed to our ministries this holiday season. Childhaven, local inmates, and Feeding the Hundreds recipients have all been blessed by your kindness. We've also had many give toward the building fund. Thank you for the way you love and care for this congregation. Our church is a special group!

Justin

KIDS GIVING

Questions to Ask: What does it mean to wait on God? What do hope and waiting have in common? Where should we put our hope? What do we put our hope in that eventually disappoints us?
