### Church Building and Grounds Workday

We are having a workday for our facilities this Saturday morning, March 16<sup>th</sup>, beginning at 8 a.m. We will be doing a variety of things. As always, there are weeds to be pulled, cut, and sprayed. We'll also be freshening up our flower beds with fresh mulch. Maybe you have spotted an area (inside or outside) that needs some work, feel free to give it your attention. I notice that an unexpected byproduct of these type of "events" is the comradery, and even new friendships, that often come from such work. So come and join along in the work and fellowship of upkeeping this beautiful facility!

### Super Sunday

Our first Super Sunday of 2024 is this week! We will follow our usual structure of worship, eat, and devotional. I am excited for the opportunities that Super Sundays bring us. Families spend time together, share meals together, and connect over shared interests and activities. Our church family does the same during Super Sundays! So make plans to join us, bring a dish to share, and be inviting family and friends to join you!

### L2L

Our young people, and parents/volunteers, have been working hard to prepare for Lads to Leaders. This program trains our young people to become future leaders in the church, it is much needed! This past Sunday night our young men and ladies went to Neel Church of Christ to lead their services and put their hard work on display. THIS SUNDAY our young men will be leading our devotional after our Super Sunday meal. I hope you make plans to attend and support these guys.
