## Vacation Bible School

We have had a great first 3 nights of VBS and are looking for a strong closing tonight! The week of Vacation Bible School is a uniquely fun week, but it is a week with a purpose. The transformations throughout our beautiful church building serve to strike wonder and awe within the hearts and minds of our children. A wonder and awe that their God is awesome. A wonder and awe that God has done incredible things in the past, and more importantly, will do incredible things for their future. VBS has been well attended with at least 200 here each night. Some of these children have not heard the gospel before or know how much God loves them, but they are hearing it this week, and that is what VBS is all about. We have had so much fun and are looking to close out with a bang tonight. Please pray for our children and especially those who are hearing the gospel for the first time.

## What Makes A Super Sunday?

I love our Super Sunday events. We follow the schedule of what I call, "Church-Eat-Church" where we worship, share a meal, then have a devotional service following. We finish up around 1:00 and then are done for the day. These "Super Sundays" are a great opportunity for our church family to spend some extra time together. But what makes a Super Sunday, or better yet, what makes a Sunday super? Every Sunday, all 52 in 2024, are super. All bear the same weight of excellence. Because every Sunday, the first day of the week, we put God first by gathering with his people for the purpose of praise and worship. We worship our God and celebrate together the good things he's done, is doing, and will do. I find that Sunday worship with God's people always fits the occasion. Feeling sorrowful? Pour out your heart to God and feel the comfort of Him and His people. Celebrating a success in life? Praise God for blessings and celebrate Him with His people. Feeling spiritually weak? Eat the bread and drink the cup of communion and feel the presence of God. It all starts with showing up. Come as you are, but be ready to leave as you were not. God works powerfully through his Sunday, and I think that is pretty Super.
