## Evangelism Surveys

The Post-Evangelism Seminar Surveys were handed out last week, and we hope every member will take a few moments to fill one out. We need these returned as soon as possible. You can drop them in the collection basket in the gathering area outside the auditorium, or hand them directly to one of the ministers or office staff. These surveys are important—not only to let us know what you thought of the seminar, but also to help us understand how you may be interested in contributing going forward. Please turn them in by Wednesday night.

## Thank you!

This past week, we delivered a large donation to Childhaven in Cullman. It was incredibly encouraging to see how full our donation table became. Thanks to your generosity and love, we were able to provide many essential supplies and food items for the residents there. A big thank you to Jared Symonds for leading this effort!

## Young Men and Women Lead Church Services

This past Sunday and Wednesday night, our young men and young ladies led the worship services. They led singing, read Scripture, and gave speeches. It was truly encouraging to see our young people use the gifts God has given them and to witness the hard work they've put in over the last few months to grow those gifts. We are blessed with a wonderful group of youth—and parents too! Some of the young ladies didn't get a chance to lead the songs they plan to present at convention, so there will be an additional meeting this Wednesday night at 6:00 PM.
