Expanding Church Leadership

The coming weeks mark an exciting and meaningful moment in the life of our church as we put forward men to be installed as elders and deacons. Seasons like this remind us that God is actively at work among His people at the Hartselle Church of Christ.

Leadership in the Lord's church is not about position or prestige. It is about service, sacrifice, and shepherding God's people with humility and faith. The fact that God continues to raise up qualified, willing men among us is a tremendous blessing. It is reflective of a congregation that is growing and seeking to follow God's design for His church.

We are thankful for these men and their families, who have demonstrated love for the Lord, commitment to His Word, and a desire to serve others. We are also grateful for a church body that values godly leadership and recognizes the importance of spiritual oversight and service.

As we move forward, let us thank God for His provision, pray for wisdom and strength for these men, and commit ourselves to supporting them as they serve. May we continue to grow together as a church, led by faithful men, for the glory of God and the good of His people.

Listed below are the men that the eldership has put before the congregation. If anyone has reason as to why any of these men can not serve, the elders are accepting signed, written feedback.
