1-18-26

This Sunday marks a truly significant moment in the life of our church family. After years of prayer, sacrifice, and faithful stewardship, we will celebrate the paying off of our building and the joy of being completely debt free. More than a financial milestone, this is a testimony to God's faithfulness and the faithfulness of His people.

Our congregation has been meeting on this property since 1947. Through the decades, God has allowed growth and change, including major renovations and additions in 1960 and 1972. In 2007, our elders once again stepped out in faith, leading the congregation to build a beautiful, ambitious, God-glorifying facility. One that would serve not just the needs of the present, but generations to come.

That step required vision, courage, and trust in the Lord. It also required a congregation willing to follow, sacrifice, and give generously. Today, we stand together as witnesses to what happens when faithful leadership and faithful people walk together in obedience to God.

Our building is a blessing. Its beauty reflects the care with which it was built, but even more so, it reflects the beauty of a people devoted to God and committed to His work. Ultimately, it points beyond itself to the greatness of the God we serve.

As we celebrate this moment, may our hearts be filled with gratitude and praise. May this milestone remind us that God has been faithful in the past, and that He will continue to be faithful as we seek to honor Him in all things.

-Justin
