Sent to Serve, United in Prayer

Early Friday morning, 13 of our church family members set out on a mission trip to El Salvador. This team, made up of both adults and teens, has gone with a clear purpose: to serve, to encourage, and to share the gospel of Jesus Christ.

While there, they will be distributing medical supplies and eyeglasses, meeting real needs in the communities they encounter. At the same time, they will be working alongside local congregations and a preaching school, strengthening the church and helping equip others to continue the work long after our team has returned home. This is a beautiful picture of what it means to partner in the gospel.

We are especially encouraged to see our young people involved. Opportunities like this can shape a lifetime of faith and service, and we are grateful for their willingness to go.

As a congregation, we may not all be able to travel, but we are still very much a part of this mission. Paul often reminded the early church that those who send and support are partners in the work (Philippians 1:3-5). In that same spirit, we join in this effort through prayer.

Let us pray daily for their safety, for open doors to share the gospel, for boldness in their words, and for lasting impact in the lives of those they meet. Pray also that God will be glorified in every act of service. We look forward to hearing a full report from the team on Sunday, April 19th.
