# Happy Easter

Easter Sunday is a special day of hope, joy, and celebration. We are so glad you have chosen to worship with us today. Whether you are a longtime member, a returning guest, or visiting for the first time, please know that you are welcome here. We gather today to celebrate a truth that has changed the world forever: the resurrection of Jesus Christ.

The resurrection is at the very heart of our faith. It is the moment when sorrow turned to joy, defeat gave way to victory, and death was overcome by life. Because Jesus lives, we have hope beyond this life. Because He conquered death, we can face each day with confidence, knowing that sin and the grave do not have the final word.

Easter reminds us that God keeps His promises. What seemed like the darkest moment in history, the crucifixion of Jesus, became the doorway of salvation for all who have faith. The resurrection assures us that God is still at work, bringing life out of death, light out of darkness, and hope out of despair.

As we worship together today, may you be encouraged by the risen Savior. May your faith be strengthened, your heart lifted, and your hope renewed. And if you are searching, questioning, or seeking something more, know that the empty tomb invites you to come and see, to believe, and to find new life in Him.

He is risen. Let us rejoice together.

-Justin
