Wanted Out West: A Week to Remember

What a wonderful week we shared together at VBS! Our Wanted Out West theme was filled with excitement, laughter, learning, and most importantly, opportunities to point young hearts toward Jesus. From beginning to end there was an energy and enthusiasm that could be felt throughout the building.

We averaged around **250 people in attendance each night**, and one of the greatest blessings was seeing that about **half of our student attendees were visitors**. We are thankful that so many families from our community joined us, and we pray the relationships that began this week will continue to grow long after VBS has ended.

The western town that greeted everyone each evening was simply incredible. The decorations were among the finest many of us have ever seen and helped create an unforgettable experience for every child who walked through the doors. Add to that a delicious meal served each night, engaging Bible classes, crafts, energetic singing, fun activities, and plenty of smiling faces, and it is easy to understand why the children were so excited to come back every evening.

We are deeply grateful for over **70 adult volunteers** who gave their time, talents, and energy throughout the week. Whether teaching, decorating, cooking, working security, helping with crafts, or simply encouraging children, every volunteer played an important role. A special thanks to **Mark and Marcy Reynolds** who organized and mobilized our adult volunteers.

Thank you to everyone who helped make Wanted Out West such a tremendous success. May the seeds planted this week continue to bear fruit for years to come.
