Family Fun Day

As much as I enjoy summer, there is something special about this time of year. Vacations begin to wind down, school is just around the corner, and life starts settling back into a familiar rhythm. For our church family, it also means we begin seeing one another more consistently again. After a summer where different families have been traveling from week to week, it is a joy to look forward to having our church family together.

That is one of the reasons I love our annual **Family Fun Day**. This year, we'll gather on **Saturday, August 8**, beginning at 11:00 a.m. in the fellowship hall. We'll enjoy a meal together, spend time visiting, and have games and activities for both adults and children. Most importantly, we'll simply enjoy being together.

This day is for our entire Hartselle church family. Whether you're young or old, have children at home or not, this is an opportunity to strengthen the relationships that make our congregation such a blessing. Some of the best memories in a church family are made not only in the pews, but around a table, over a meal, or while sharing a laugh during a friendly game.

Family Fun Day has become something of a marker on our calendar. It reminds me that the summer season is drawing to a close and that another exciting season of ministry is about to begin. As our schedules become more consistent, we will have fresh opportunities to worship, study, serve, and grow together.

I hope you'll make plans to join us. Bring your appetite, your smile, and your competitive spirit if you're feeling adventurous! Most of all, come ready to enjoy the wonderful blessing of spending time with your church family. I can't wait to see everyone there!

-Justin
